

For the love of...

1. Print this page and cut out the heart to leave a heart-shaped hole.
2. Take a photo of something you love, and that you think climate change threatens, using the heart as a frame.
3. Send your picture to SPEAK with your name, email and postcode, saying why you're worried climate change will affect the thing/person/place etc in your photo.
speak@speak.org.uk
4. Stick the picture on social media and tell your friends!

Let's  up about climate change!
